

LET'S LEARN TO SHADE!

Shading makes your drawing look 3D
and brings it to life! ♥

www.zelleofagoodtime.com

1 LIGHT PRESSURE

Use light strokes
to fill the area
lightly.

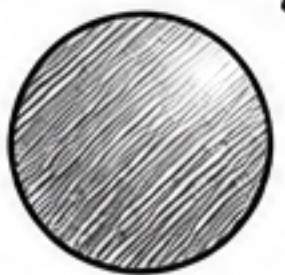

2 MEDIUM PRESSURE

Press a little
harder to make
it darker.

3 DARK PRESSURE

Press harder
for the
darkest areas.

WHERE TO SHADE? ♥

LIGHT SOURCE

Imagine light is
shining from
this direction.

HIGHLIGHT

Keep this side
light.

MIDTONE

Use medium
shading in
the middle.

SHADOW

Add the darkest
shading on the
opposite side
and under areas.

♥ Practice makes progress! Have fun and get creative! ♥
